

iCo Therapeutics Inc. Announces No Material Change

March 13, 2017, Vancouver, Canada — iCo Therapeutics Inc. (“iCo” or “the Company”) (TSX-V: ICO) (OTCQB: ICOTF) reports that at the request of IIROC, the Company wishes to confirm that management is unaware of any material change in their operations that would account for the recent increase in market activity.

About iCo Therapeutics

iCo Therapeutics identifies existing development stage assets for use in underserved ocular and infectious diseases. Such assets may exhibit utility in non-ophthalmic conditions outside the Company’s core focus areas and, if so, the Company will seek to capture further value via partnerships, such as its partnership with Immune Pharmaceuticals, which is in several Phase 2 studies involving iCo-008. iCo Shares trade on the TSX Venture Exchange under the symbol “ICO” and on the OTCQB under the symbol “ICOTF”. Forward Looking Statements

Certain statements included in this press release may be considered forward-looking statements within the meaning of applicable securities laws. Forward-looking statements can be identified by words such as: “anticipate,” “intend,” “plan,” “goal,” “seek,” “believe,” “project,” “estimate,” “expect,” “strategy,” “future,” “likely,” “may,” “should,” “will,” and similar references to future periods. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements, and therefore these statements should not be read as guarantees of future performance or results. All forward-looking statements are based on iCo’s current beliefs as well as assumptions made by and information currently available to iCo and relate to, among other things, anticipated financial performance, business prospects, strategies, regulatory developments, market acceptance and future commitments. Readers are cautioned not to place undue reliance on these forward-looking statements, which are based only on information currently available to iCo and speak only as of the date of this press release. Due to risks and uncertainties, including the risks and uncertainties identified by iCo in its public securities filings and on its website, actual events may differ materially from current expectations. iCo disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
